Any of those options will work for me.

Thanks,

Subject: TIME WARP: RE: Leviathan Mine - Interim Combined Treatment Demonstration - Update

Its for 2pm.

I seems when the power went out, my calendar reset to wrong time zone or something odd, as I

have it for 1pm on my calendar. Weird. so sorry. Embarrassing.

I know I did also offer 2pm initially, but darn it; if I don't have another important high level call at 2pm now

nd can't make it.

I offer in this order:

- a. Move it to 3pm today?
- b. Scramble for call now or at 1:30
- c. Reschedule for tomorrow?
- d. Proceed with EPA consultant only to cover the technical call

Josh,

Prefer to keep it technical. But just noticed that Adam was on the invite list for this technical update.
